## Domain Name (Monthly)

This covers registration fees for the domain name.

Item	Cost (UGX)
Basic (.com or .org)	60,000
Ugandan domain (.ug)	150,000
Vanity Domain	Starting from 250,000

## Email (Monthly)

Email addresses are offered free of charge with the hosting package, so no extra payment is needed unless the user would like to upgrade to Google's Workspace service, costing \$6 per user month

Item	Estimated Cost (UGX)
Basic Email	0 (Included in hosting)
Google Workspace Email	\$6 per user per month

## Website Development (onetime Payment)

This fee covers development of the website, integration, testing, and full support with minor changes for the first year. Support continues after that, but alterations to design are charged for.

Item	Estimated Cost (UGX)
Starter (5 pages, Templated)	1,200,000
Premium (10 pages, with backend)	1,800,000
Corporate (custom built from scratch)	2,500,000 upwards

## Get In Touch

Should you have any questions, need clarifications, or would just like to discuss the ideas, please feel free reach out.
